- Password:

A) Daily Report per Patient (Clickable Dropdown)

- A.1.) Daily Report Social Worker/Psychologist
- A.2.) Daily Report Doctor
- A.3.) Daily Report Nurser
- A.4.) Daily Report Physiotherapist
- A.5.) Daily Report Family Helper

** If a user clicks on the Daily Reports and **taken from the account information** their Full Name and Profession will be already filled.

** A professional is supposed to fill Daily Reports on a daily basis for each visit he delivers to each patient. [Average Daily Reports per professional = 15]

After clicking on one of the Daily Report categories [from A.1 to A.5] he has to fill the following information on each field:

Daily Reports

1. Full Name Employee/User [pre-filled] ** Employee == User**
2. Users Profession [pre-filled]
3. Patients Full Name, AMKA, Health Security
4. Patients' Address
5. Arrival Time of the visit
6. **Delivered Services** ***
7. Absence status of the patient [If he was home or not]
8. Departure Time of the visit
9. Save [When a filled form is saved it can no longer be processed]

*** Delivered Services
